## **ABOUT US**

AL SULTAN has established in year 2019 and has engaged in providing the quality buffalo meat. The company has its own facility which maintains the international standard of the quality for processing and packaging the buffalo meat.

We maintain the high level of storing method and process to retain the freshness and hygiene of the meat. The facility for slaughtering and butchering is also done in proper Halaal method.

We are known in middle east and asia for our quality and the delivery period.
